

NTV Cablecast Request Form

Name _____ Date _____

Address _____

Phone(h) _____ (w) _____

Program Title: _____

Format _____ Length _____

Description: _____

Local Sponsor _____ Phone _____

Producer and /or sponsor credit shall appear at both the beginning and end of the program whenever possible.

Programs cablecast on the access channel operated by NTV-26 must be non-commercial in nature.

NTV-26 reserves the right to schedule programs for cablecast at its own discretion with preference given to locally produced programming (i.e. programs produced within the Northfield cable TV system). Local programs may be cablecast up to three (3) times in one week, but no more than seven (7) times in one month. Programs produced outside the Northfield cable system may be cablecast up to two (2) times in one week, but no more than five (5) times in one month. Individual episodes cablecast as part of a series of programs shall be shown no more than two (2) times per week in any one month period.

STATEMENT OF COMPLIANCE

I am thoroughly familiar with the contents of the above program, and state that it does not contain:

- 1) advertising , including that for candidates for public office
- 2) obscene or indecent material
- 3) a lottery, or lottery information

I agree to indemnify and hold harmless NTV-26, its agents, and Charter Communications from any and all liability, injury, claims, and damages which may arise from, or in conjunction with, the cablecasting of the above program. Furthermore, I understand that I am legally responsible for program content, including but not limited to, any unauthorized use of image, unauthorized use of copyrighted material, or content which may be considered libelous or slanderous in its composition.

Being of legal age (18 years), I understand and agree with the above statements. I further understand that failure to comply with these statements, or any negligence or misrepresentation by me or my agents surrounding the cablecast of the above program, may result in forfeiture of my right to cablecast programs, and use NTV-26 equipment and facilities in the future.
